INDEPENDENT AUDITOR'S REPORT

Board of Directors Mi-Wuk/Sugar Pine Fire Protection District MiWuk Village, CA 95346

Report on the Financial Statements

We have audited the accompanying financial statements of Mi-Wuk/Sugar Pine Fire Protection District as of and for the years ended June 30, 2021 and 2020, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the minimum audit requirements for California Special Districts. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Mi-Wuk/Sugar Pine Fire Protection District, as of June 30, 2021 and 2020, and the respective changes in financial position, and, where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3 through 6 and budget and actual statement on page 21 and 22 to be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

MANAGEMENT'S DISCUSSION AND ANALYSIS
June 30, 2021 and 2020

Our discussion and analysis of the Mi-Wuk Sugar Pine Fire Protection District's financial performance provides an overview of the District's financial activities for the years ended June 30, 2021 and 2020. Please, read it in conjunction with the District's basic financial statements, which begin on page 6.

Basic Financial Statements

The District's basic financial statements include three components:

- Combined Statement of Net Position
- Combined Statement of Activities All Fund Types
- Notes to the Financial Statements

The statement of net position includes all the District's assets and liabilities, with the difference between the two reported as net position.

The statement of net position provides the basis for evaluating the capital structure of the District and assessing its liquidity and financial flexibility.

The statement of activities presents information, which shows how, the District's net position changed during each year. Total revenues and expenses are recorded when the underlying transaction occurs, regardless of the timing of the related cash flows. The statement of activities measures the success of the District's operations during the year.

These statements are different from the governmental funds statement which only account for transactions that result in cash receipts or cash disbursements.

The notes to financial statements provide a description of the accounting policies used to prepare the financial statements and present material disclosures required by generally accepted accounting principles that are not otherwise present in the financial statements.

Financial Highlights

Notes to the Financial Statements June 30, 2021 and 2020

Note 1: Summary of Significant Accounting Policies

The Mi-Wuk Village Fire Protection District was formed by resolution of the Board of Supervisors of the County of Tuolumne, California, on January 19, 1959. On December 19, 1974 following the "Sugar Pine Annexation" the District was enlarged to its current boundaries and became the Mi-Wuk Sugar Pine Fire Protection District. The District is governed by an elected Board of Directors and is subject to various State of California statutes including the Health and Safety Code Sections 13800-13960 "The Fire Protection District Law of 1987" and others. The District provides fire protection and related services in the Mi Wuk Village and Sugar Pine areas. The District boundaries are detailed on the official records of Tuolumne County.

MI-Wuk Sugar Pine Fire District provides services outside the District as part of the mutual aid agreement with other agencies.

The District is governed by a Board of Directors. Directors are elected by the Citizens of the District for four years terms. Terms are staggered, and there are no term limits.

The financial statements of the District are prepared on the accrual basis of accounting. The following is a summary of the more significant accounting policies:

A. Reporting Entity

The District has defined its reporting entity in accordance with accounting principles generally accepted in the United States of America, which provide guidance for determining which governmental activities, organizations, and functions should be included in the reporting entity. In evaluating how to define the District for financial reporting purposes, management has considered all potential component units. The primary criterion for including a potential component unit within the reporting entity is the governing body's financial accountability. A primary governmental entity is financially accountable if it appoints a voting majority of a component unit's governing body and it is able to impose its will on the component unit, or if there is a potential for the component unit to provide specific financial benefits to, or impose specific financial burdens on, the primary government. A primary government may also be financially accountable if a component unit is fiscally dependent on the primary governmental entity regardless of whether the higher level of government, or a jointly appointed board.

Based on the aforementioned oversight criteria, there are no component units in accordance with Governmental Accounting Standards Board Statement No. 14.

Notes to the Financial Statements June 30, 2021 and 2020

Note 1: Summary of Significant Accounting Policies (Continued)

B. Basis of Accounting

Government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned or, for property tax revenues, in the period for which levied. Expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized when both measurable and available. Measurable means the amount of the transaction can be determined and available means collectible in the current period or soon enough thereafter to be used to pay liabilities of the current period. Resources not available to finance expenditures and commitments of the current period are recognized as deferred revenue or as a reservation of fund balance. The District considers property taxes available if they are collected within sixty-days after year-end. Expenditures are recorded when the related fund liability is incurred.

C. Non-Current Governmental Assets/Liabilities

GASB Statement 34 eliminates the presentation of account groups but provides for these records to be maintained and incorporates the information in the government-wide statement of net position.

D. Basis of Presentation

The accounts of the District are organized and operated on the basis of funds. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts established for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations. The District's resources are accounted for in these individual funds based on the purposes for which they are to be spent and the means by which spending activity is controlled. For financial reporting, these funds have been grouped into the fund type discussed in the following page.

Notes to the Financial Statements June 30, 2021 and 2020

Note I: Summary of Significant Accounting Policies (Continued)

D. Basis of Presentation (Continued)

Governmental Fund Type

Governmental funds are used to account for the District's expendable financial resources and related liabilities. The measurement focus is based upon determination of changes in financial position. The following are the District's governmental funds:

General Fund - This fund accounts for all the financial resources not required to be accounted for in another fund. This fund consists primarily of general government type activities.

E. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

F. Restricted Assets

Restricted assets are financial resources generated for a specific purpose such structural improvements and financing of debt obligations. These amounts are restricted, as their use is limited by applicable bond covenants or other external requirements.

G. Fund Balances

Reservations of fund balances of governmental funds are established to either (1) satisfy legal covenants that require a portion of fund balance to be segregated or (2) identify the portion of the fund balance that is not appropriable for future expenditures.

Notes to the Financial Statements June 30, 2021 and 2020

Note 1: Summary of Significant Accounting Policies (Continued)

H. Property Taxes

The District receives property taxes from Tuolumne County, which has been assigned the responsibility for assessment, collections, and apportionment of property taxes for all taxing jurisdictions within the County. Secured property taxes are levied on July 1 for the following fiscal year and on which date it becomes a lien on real property. Based on a policy by the County called the Teeter Plan, 100% of the allocated taxes are transmitted by the County to the District. The County, in return, receives all penalties and interest. Penalties and interest collected by the County are not allocated to the District. Apportionments are distributed according to the following schedule:

<u>Action</u>	<u>Date</u>	Percent of Levy
1 st apportionment	November 25	10%
2 nd apportionment	By December 25	45%
3 rd apportionment	By April 25	40%
4 th apportionment	By June 25	5%

I. Capital Assets

Capital assets, recorded at historical cost or estimated historical cost if actual historical cost is not available, are reported in governmental activities column of the government-wide financial statements. Contributed fixed assets are valued at their estimated fair market value. Capital assets include land, buildings and building improvements, and equipment. Capital assets are defined by the District as assets with an initial, individual cost of more than \$5,000.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Depreciation is recorded in the government-wide financial statements on the straight-line basis over the useful life of the assets as follows:

Assets	<u>Useful Life</u>
Improvements to land	20 years
Building improvements	10-30 years
Vehicles	10-15 years
Machinery and Equipment	5 years

Notes to the Financial Statements June 30, 2021 and 2020

Note 2: Cash and Investments

Cash at June 30 consisted of the following:

	2021	2020
Cash with County Petty Cash	\$ 326,742 500	\$ 209,260 500
Total	\$ 327,242	\$ 209,760

The District maintains its general cash account with Tuolumne County Treasurer's office. The County maintains the cash of the District in a "pooled" cash fund for special District's. The cash maintained in the "pooled" cash fund with Tuolumne County at June 30, 2020 was \$326,742. The District maintains the petty cash at a local bank. The petty cash at June 30, 2021 was \$500. The District's investment is presented at fair value in accordance with GASB No. 31, "Accounting and Financial Reporting for Certain Investments and for External Investment Pools". However, the value of the pool shares in the County that may be withdrawn is determined on an amortized cost basis, which is different than the fair value of the District's portion in the pool.

California Government Code authorizes the Treasurer of the County to invest excess funds in the following list of eligible securities:

- a) Obligations of the U.S. Treasury, agencies and instrumentalities
- b) Banker's acceptances eligible for purchase by the Federal Reserve System
- c) Commercial paper with A-1 rating by Moody's Investors Service or a P-1 rating by Standard and Poor's Corporation
- d) Repurchase agreements or reverse repurchase agreements
- e) Medium-term notes with a five-year maximum maturity from corporations operating within the United States and rated in the top three rating categories by Moody's Investment Service and Standard and Poor's Corporation
- f) Shares of beneficial interest issued by the diversified management companies (money market funds) investing in securities and obligations as outlined in (a through f) above. Certain security rankings and/or organizational requirements apply to this investment

Note 5: Related Party Transaction

Mi-Wuk/Sugar Pine Fire Protection District auxiliary is a separate support organization that assists the District through fundraising and donations of cash, equipment, supplies, food and beverages, etc.

Note 6: Risk Management

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The District purchases commercial insurance to cover the risk of loss. The \$1,000,000 per occurrence and \$2,000,000 aggregate covers general liability. The District also purchases auto liability, property liability and management liability. The District pays an annual premium for its general insurance coverage.

Note 7: Commitments and Contingencies

The District receives federal and state grants for specific purposes that are subject to review and audit by the grantor agencies. Such audits could lead to requests for reimbursement to the grantor agency for expenditures disallowed under terms of the grant. District management believes such disallowances, if any, would be insignificant. In the normal course of business, the District may be a defendant in lawsuits. Defense of lawsuits are handled by the District's insurance carrier, and losses, if any, would be expected to be covered by insurance. District officials are of the opinion that lawsuits, if any, will not have a material adverse effect on the District's financial position.

Notes to the Financial Statements June 30, 2021 and 2020

Note 8: Fund Balance Classifications

In pursuant of GASB 54, District procedures to classify fund balance are as follows:

- Restricted
- Nonspendable
- Committed
- Assigned
- Unassigned

In the governmental fund balance sheet and the statement of net position, the District has one classification for fund balance: Unassigned. The unassigned fund balance is used to classify the fund balance that has not been assigned to other funds and that has not been restricted, committed, or assigned to a specific purpose.

Note 9: Mutual Aid Agreement

The District is a party to the "County of Tuolumne Fire Agencies Master Mutual Aid Agreement". The Agreement is a mutual cooperation agreement to increase fire protection resources and other emergency operations to assure adequate protection to the community. The Agreement is intended to cover day-to-day mutual aid only and shall have no force or effect when the State of California, Office of Emergency Services Master Mutual Aid Agreement becomes operative. Under the Agreement, the District assumed all costs for salaries, bonuses, or other compensation for its own personnel, apparatus, equipment, and tools used specifically in response to a request for mutual aid and shall make no charge for such use to the requesting party. The Agreement has no termination date; however, the District may at any time terminate by serving a 30-day notice in writing to all of the other parties to the agreement.

Note 10: Subsequent Events

Management has evaluated subsequent events through March 02, 2022, the date these financial statements were available for release.

Note 11: 457 Deferred Compensation Plan:

The District maintains a deferred compensation plan for the benefit of qualified employees. The assets of the plan are not included in the financial statements of the District.

Note to the Required Supplementary Information June 30, 2021 and 2020

Note 1. <u>Budgets and Budgetary Accounting</u>

As required by State law the District prepares and legally adopts a final operating budget. Public hearings were conducted on the proposed and final budget to review all appropriations and the sources of financing.

The budget for the general fund is adopted on the modified cash basis of accounting. The budget for the general fund is the only legally adopted budget.

At the object level, actual expenditures cannot exceed budgeted appropriations. Management can transfer budgeted amounts between expenditure accounts within an object without the approval of the Board of Directors. Significant amendments and appropriation transfers between objects or funds must be approved by the Board of Directors. Appropriations lapse at fiscal year end.

The budgetary data presented in the accompanying financial statements includes all revisions approved by the Board of Directors.

Note 2. Accrued Vacation and Sick Pay

The District reports an accrued liability for vacation and sick pay earned in accordance with GASB 34.
