

# **INTRODUCTION TO WILDLAND FIRE BEHAVIOR**

for

## **Homeowners and Residents**

This workshop provides information about the primary factors affecting the start and spread of wildfire and recognition of potentially hazardous situations. It is designed to educate those living and recreating in the Wildland Urban Interface. You will learn to identify three sides of the fire triangle, the environmental factors that affect the start and spread of wildland fire, and describe factors that contribute to the potential for increased fire behavior that may compromise your safety.

Saturday, August 27, 2016, 9 AM to 1 PM, Mi-Wuk Sugar Pine Fire Station, 24247 Highway 108, Mi Wuk Village, CA, 95346.

Cost: \$15.00 per person; payment accepted on the day of the Workshop; however, you **MUST PRE-REGISTER** by calling (209) 586-5256.
